Illinois Department of Human Services, Substance Use Prevention Services Grant, Additional \$5,750 - Kritz

The State of Illinois has increased behavioral health grant funding for State FY 2020 (July 1, 2019 - June 30, 2020). This appropriation is for a 2.5% increase to the Substance Use Prevention Services grant. New funding will be used for additional printing services. All dollars are appropriated in FY 2020.

To approve the additional grant funding of \$5,750 from the Illinois Department of Human Services to support behavioral health grants.
