Resolution naming new roadways and renaming existing roadways in conjunction with the realignment of U.S. Route 45 at the Millburn Road/Grass Lake Road intersection in the vicinity of the Millburn Historic District (Millburn Bypass).

- The Millburn Bypass project created two remnant roadway segments, old U.S. Route 45, from the realigned U.S. Route 45 north to the newly constructed cul-de-sac, and old Grass Lake Road, from old U.S. Route 45 west to the newly constructed cul-de-sac.
- At its January 16, 2018 meeting, the County Board approved the jurisdictional transfer of old U.S. Route 45, in its entirety, from the State of Illinois to Lake County.
- It is desirous to rename these remnant roadway segments to better facilitate wayfinding in the area.
- It is recommended that old U.S. Route 45 be renamed as Main Street, and that old Grass Lake Road be renamed as Old Town Court.
- The Millburn Bypass project also constructed a new roadway segment between old U.S. Route 45 and the realigned U.S. Route 45 that will align Millburn Road and Grass Lake Road.
- This new roadway extension needs to be named and added to the County highway system.
- It is recommended this new roadway extension be added to County highway system as County Highway 14 and be named Millburn Road.
- The notification process will begin upon approval by the County Board.
- The name changes are planned to take place in early 2020.
