Joint resolution approving an Intergovernmental Agreement with the Village of Hainesville (Village) for access to the County's Land Management System, Tyler Energov.

- The Village has a need for a new permitting system for use within the Village to track and manage their building permits and inspections, code enforcement, and licensing.
- Lake County is currently using Tyler Energov as our land management permit, inspection, code enforcement, and licensing system across its five land departments. During contract negotiations for the system, the County was successful in achieving shared services language within our contract, allowing other municipalities to share the cloud-based solution with other municipalities in Lake County. Licensing of the system is being offered at Tyler's current rates offered to Villages of size similar to Hainesville.
- The County has an executed intergovernmental agreement with the Village for building inspection and development review.

RESOLUTION

INTERGOVERNMENTAL AGREEMENT FOR LAND MANAGEMENT SYSTEM ACCESS AND CONFIGURATION FOR THE VILLAGE OF HAINESVILLE, ILLINOIS

WHEREAS, both the COUNTY and the VILLAGE are governmental agencies of the State of Illinois vested with the responsibility and authority to enforce and uphold building, and safety codes and other related services in their respective jurisdictions and obtain the resources necessary to

accomplish these tasks; and

WHEREAS, the COUNTY has a land management system that tracks permits and inspections; and

WHEREAS, the VILLAGE has determined that there presently exists a need for a new land management system to track permits and inspections within the VILLAGE; and

WHEREAS, both the COUNTY and the VILLAGE are authorized by the terms and provisions of the Intergovernmental Cooperation Act, 5 ILCS 220/5, to enter into intergovernmental agreements, ventures, and undertakings to perform jointly any governmental purpose or undertaking either of them could do singularly; and

WHEREAS, the VILLAGE is desirous of contracting with the COUNTY to obtain access to and use the COUNTY'S hosted land management system and agrees to pay for any service so the COUNTY that are incurred under this Agreement; and

WHEREAS, the COUNTY hereby represents and warrants to the VILLAGE that the COUNTY has the ability to configure, has available licenses to the system, and can and is willing to provide the VILLAGE access to the land management system through the COUNTY's agreement with Tyler Technologies.

NOW THEREFORE, in consideration of the foregoing and the covenants contained herein, the parties hereby agree and covenant as follows:

Section 1. - The VILLAGE'S license to use the COUNTY'S Land Management System

1. The COUNTY will provide the VILLAGE access to its land management system, Tyler Energov. The Tyler Energov System consists of a computer-based system that tracks and manages permitting, code enforcement and inspections. Customer access to and use of the Tyler Energov System customer self-service portal will be as determined by the VILLAGE.
2. The designated parties to this agreement will agree on the number and type of licenses that the VILLAGE will require to perform its business, which access will be paid as set forth in Section III.
3. The COUNTY will configure all VILLAGE users with access rights to the COUNTY'S land management system.
4. The VILLAGE agrees that all assigned VILLAGE users will have separate login credentials. All VILLAGE users shall keep logins and passwords confidential. Sharing of logins/licenses is not permitted.
5. The COUNTY and VILLAGE will agree on the configuration and setup of the System in preparation for the VILLAGE'S use of the System. The COUNTY, in partnership with Tyler representatives, will configure the System at no cost to the VILLAGE. The COUNTY will remain the sole system administrator for the land management system.
6. This Agreement is only for access to the Tyler Energov System. No data conversion of the VILLAGE'S historical data is provided with this system configuration and access authorization.

7. The VILLAGE staff will be accessing and using the COUNTY'S Tyler Energov System. Restrictions will be placed such that the VILLAGE users will not be able to access, view, or edit any of the COUNTY'S data or records. Any attempt of a VILLAGE user to access, view, or edit COUNTY data will be grounds for immediate termination of this Agreement and all VILLAGE user credentials.
8. The VILLAGE will only contact the COUNTY identified representative with any support issues. The VILLAGE will not contact Tyler Technologies directly.
9. The VILLAGE will acquire all necessary equipment and technology to use the Tyler Energov System within its offices. This includes but is not limited to: computers and related equipment, iPads, internet, and network connections.
10. The COUNTY will provide the VILLAGE training on the use of the Tyler Energov System for existing staff and any new staff when requested by the VILLAGE.
11. Online permitted and requests will be provided in conjunction with the COUNTY'S current online portal website. A separate web portal will not be created specifically for the VILLAGE for its applications.
12. The COUNTY will create custom automated documents that are related for the permitting operations of the VILLAGE. Such automated documents include: a permit card, permit letter, and inspection report.
13. The COUNTY agrees to provide to the VILLAGE the most recent version of the Tyler Energov System as is available and used by the COUNTY.
14. The Tyler Energov System shall be configured to allow the VILLAGE to track, manage, view, and create reports related to building activity in the VILLAGE.

Section II. - The COUNTY'S use of the VILLAGE'S data in the Land Management System

1. The COUNTY has a separate agreement with the VILLAGE to provide building inspection and plan review services entered on March 27, 2018 as may be amended or renewed from time to time (the "Building Inspection & Development Review IGA").
2. The COUNTY shall be allowed to access, enter, and edit the VILLAGE'S data in the Tyler Energov System to fulfill its duties under the Building Inspection & Development Review IGA.
3. The VILLAGE and COUNTY designated contacts will agree on all processes related to how the VILLAGE and COUNTY will work together within the System to perform all business related to the work the COUNTY performs in accordance with the Building Inspection & Development Review IGA.
4. The COUNTY will be able to access, view, and edit the VILLAGE'S data and records for as long as the Building Inspection & Development Review IGA is valid.
5. If the Building Inspection & Development Review IGA is terminated, the COUNTY's access to the VILLAGE'S data and records will be blocked. COUNTY system administrator-level users will retain access to the VILLAGE'S data only for the purposes of providing support.

Section III. - Fees for VILLAGE access to the Land Use Management System

1. Both Parties agree that the following fee schedule applies to this Agreement:

SERVICE	FEE TO BE PAID TO THE COUNTY
Full license to system (minimum of one required to use system and purchase other license types)	One-time cost of \$1,600 per license (each specific user requires a separate license to access the system).
Read-only license to system	One-time cost of \$400 per license (each specific user requires a separate license to access the system).
Mobile application add-on license (if and when purchased)	One-time cost of \$999 per license (each specific user requires a sperate full license to access the system) If and when purchased by the Village.
Yearly maintenance costs	Each full license* will incur a yearly cost of \$330. Each read-only license* will incur a yearly cost of \$83. *Each license will be subject to an annual percentage increase which shall be equal to and shall be effective at the same time as any annual percentage increases received by the County from Tyler (to be assessed on February 1 annually, with first assessment occurring in 2021).

2. The COUNTY will invoice the VILLAGE for the costs identified in Section III.1 based on the aforesaid fee schedule in this Agreement for the agreed upon number of types of licenses up on execution of this Agreement.
3. The COUNTY will invoice the VILLAGE annually for the annual costs identified in Section III.1 hereof.
4. Village's Compliance with the Illinois Government Prompt Payment Act (501LCS 505/1, et seq.) (the "Act"). Both the COUNTY and the VILLAGE acknowledge, understand, and agree that the VILLAGE complies with the Act, which states that any bills approved by the VILLAGE for payment shall be paid within thirty (30) days after date of approval of the invoice.
5. Should the agreement be terminated by either party, fees paid for licensing of the system will not be refunded to the VILLAGE.
