Joint resolution authorizing an emergency appropriation with offsetting revenue in the amount of \$14,600 to implement a Redeploy Illinois Planning Grant for the Nineteenth Judicial Circuit Court.

- The Illinois Department of Human Services recently announced that the Nineteenth Judicial Circuit was awarded \$14,600 in Redeploy Illinois Planning Grant funding beginning June 1, 2020.
- The grant will assist the Courts in determining effective intervention strategies for at-risk youth between the ages of 13 and 18 who, despite a range of intervention systems, continue to struggle and recidivate in the juvenile justice system.
- Funds will be used to contract with a local university for an in-depth analysis of the case files of each juvenile committed to the Illinois Department of Juvenile Justice for the last three years.
- The review will identify any gaps in service and assess decision points in the juvenile justice system.
- The planning grant may assist in planning for future funding opportunities to implement new programs for youth.
