Ordinance amending an ordinance establishing precinct boundaries.

- Lake County's precinct boundaries of its 415 voting precincts in 18 townships are established to balance population among the various precincts and to follow legislative district boundary lines as nearly as practicable in order to minimize ballot style splits in a precinct.
- Adjustments to the boundaries of Benton Township precincts 54 would eliminate a ballot style split.
- Adjustments to the boundaries of Zion Township precincts 403 would eliminate a ballot style split.
- Property set forth on Exhibit A should be moved from precinct 54 to precinct 403 to eliminate a ballot style split caused by an annexation to the City of Zion. The changing of the precinct line will not cause a change in polling place. Voters will remain voting at North Point Christian Church.
- A list of addresses and Property Identification Numbers (PIN) of affected properties is attached.
