RESOLUTION

WHEREAS, Illinois Public Act 85-1195 states, in part, that if proceeds from a fee, tax or surcharge imposed by a local government on local landfills are to be used to conduct a local solid waste management site inspection and enforcement program, then the unit of local government must enter into a delegation agreement with the Illinois EPA pursuant to 415 ILCS 5/4(r) (1992); and

WHEREAS, the Lake County Board passed the Lake County Solid Waste Management Tax Ordinance in April 1989, amended July 13, 2010, pursuant to PA 85-1195;

WHEREAS, the Ordinance sets forth a priority protocol to be followed in expending the proceeds from the Tax, with one of the activities pursuant to that protocol being the funding of an inspection program for solid waste disposal facilities within Lake County; and

WHEREAS, on February 9, 1993, the County Board authorized the execution of a delegation agreement with the IEPA for the purpose of implementing a local solid waste management site inspection and enforcement program; and

WHEREAS, in the same action, the County Board authorized an intergovernmental agreement with the Lake County Health Department providing for the implementation of the delegation agreement; and

WHEREAS, on May 12, 2021, the IEPA provided a revised renewal Delegation Agreement, referred to as an Intergovernmental Delegation Agreement (IGA), for the next five-year period, through June 30, 2026.

NOW, THEREFORE, BE IT RESOLVED, by this County Board of Lake County, Illinois, that the Chair of the County Board is hereby authorized to request the Illinois EPA to extend the current Delegation Agreement through June 30, 2026.
