- The ARPA was signed into law on March 11, 2021. On May 19, 2021 the County received \$67,646,879, half of the amount the County will receive in total from the US Treasury.
- Funds are required to be used for: (1) COVID-19 Response or Negative Economic Impacts, (2) Premium Pay for Eligible Works, (3) Recoupment of Lost Revenue, or (4) Investments in Water, Sewer and Broadband Infrastructure during a period from March 3, 2021 to December 31, 2024.
- Under the County's previously approved Lake County CARES Act Plan, a number of programs were initiated to support our residents and communities in the areas of Food Distribution and Housing Support. Some of these programs continue and need additional funding to ensure continuity throughout Fiscal Year (FY) 2021.
- An emergency appropriation of \$1,000,000 is recommended by staff to continue funding food and housing support programs in Lake County.
- County purchasing requirements will be followed for program execution and consultant guidance will be requested where necessary to ensure compliance.
- Authority to spend appropriated funds and execute any and all agreements with partners related to this allocation and distribution of Coronavirus State and Local Fiscal Recovery Funds is delegated to the County Administrator or their designee(s).
