Health Resources and Services Administration Budget Period Renewal - Riley

The Section 330 Grant is Lake County Health Department and Community Health Center's (LCHD/CHC) Federally Qualified Health Center (FQHC) funding from the Health Resources and Services Administration (HRSA). As part of the Section 330 requirements the Governing Council must review and recommend the budget for the period February 1, 2021 to January 31, 2022. This budget was reviewed and approved as the whole service area of LCHD/CHC Physical Health (FQHC) by the Governing Council on August 11, 2020. The attached budget narrative submitted to HRSA shows that the federal funding will be used to support salaries and fringes for staff working in the FQHC during the period February 1, 2021 to January 31, 2022.

To approve the Section 330, H80CS00119 Grant funding from the Health Resources and Services Administration in the amount of \$4,857,249 as detailed in the attached Budget Narrative and the non-federal funds of \$32,269,453.
