Resolution authorizing an emergency appropriation of \$75,000 of Coronavirus State and Local Fiscal Recovery Funds (CSLFRF) as part of the American Rescue Plan Act (ARPA) for a Criminal Investigations Surveillance Van in Fund 746 ARPA Fund.

- The ARPA was signed into law on March 11, 2021. On May 19, 2021 the County received \$67,646,879, half of the amount the County will receive in total from the US Treasury.
- The funds can be used for needs associated with public health, to counteract negative economic impacts, provide services to disproportionately impacted communities, for infrastructure, to provide premium pay, for governmental operations in an amount equal to lost revenue, and for administrative purposes during a period from March 3, 2021 to December 31, 2024.
- The Sheriff’s Department requested a surveillance van during the Fiscal Year (FY) 2022 budget process, but it was not included in the Recommended Budget. The Law & Judicial Committee recommended, and the Finance & Administrative Committee concurred that this was a necessary and justified expense. Subsequently, the Special ARPA Financial & Administrative Committee approved the use of ARPA funding for this purpose.
- This use is not an allowable direct ARPA expense and therefore, it must come from the allotment for revenue replacement.
- Authority to spend appropriated funds and execute any and all agreements with partners related to this allocation and distribution of Coronavirus State and Local Fiscal Recovery Funds is delegated to the County Administrator or his designee(s).

RESOLUTION

WHEREAS, the Sheriff’s Department has identified a need for a surveillance van for criminal

investigations; and

WHEREAS, this request was not included in the Recommended FY2022 Budget due to budget constraints; and

WHEREAS, Lake County received ARPA funds from the federal government to help support Lake County recover from and respond to the negative impacts caused by this and future pandemics; and

WHEREAS, the revenue replacement expenditure category within the ARPA guidelines can be used to offset any governmental operations expense; and

WHEREAS, the Law & Judicial and Finance & Administrative Committees recommended that \$75,000 in ARPA funds be used for this purpose during the FY2022 Budget public meetings; the Finance & Administrative Special Committee on ARPA concurred; and

WHEREAS, \$75,000 shall be allocated out of the calculated revenue replacement amount for this purpose.

NOW, THEREFORE, BE IT RESOLVED, that an emergency appropriation in the amount of \$75,000 is hereby authorized in Fund 746 ARPA Fund in account 746-1000068-79920 (transfer to other funds) to purchase a surveillance van; and

BE IT FURTHER RESOLVED, that the authority to spend funds in accordance with the appropriated budget and to execute any and all agreements related to the allocation of funds is hereby delegated to the County Administrator or his designee(s).

DATED at Waukegan, Illinois, on December 14, 2021.
