Resolution authorizing an emergency appropriation of \$300,000 of Coronavirus State and Local Fiscal Recovery Funds (CSLFRF) as part of the American Rescue Plan Act (ARPA) for temporary staff to support the Federal Emergency Rental Assistance (FERA) Program.

- The ARPA was signed into law on March 11, 2021. On May 19, 2021 the County received \$67,646,879, half of the amount the County will receive in total from the US Treasury.
- The funds can be used for needs associated with public health, to counteract negative economic impacts, provide services to disproportionately impacted communities, for infrastructure, to provide premium pay, to replace lost revenue, and for administrative purposes during a period from March 3, 2021 to December 31, 2024.
- Lake County’s Federal Emergency Rental Assistance (FERA) Program consists of \$20,646,762.50 from Emergency Rental Assistance (ERA) and \$16,336,816.90 from Emergency Rental Assistance 2 (ERA2) for a total of \$36.983.579.40.
- FERA staff currently consists of 2 FTE and 6 full time temporary employees. These funds would allow for temporary staff to continue into 2022 and phase out as the program winds down.
- As of October 31, 2021, Lake County has provided over \$13,000,000 in rent and utility assistance to Lake County low-income renters and their landlords.
