Joint Resolution authorizing execution of a contract with Swallow Construction of West Chicago, Illinois, in the amount of \$388,032.96 for the Baker Road Water Main Replacement Project in Green Oaks, Illinois.

- The Village of Green Oaks is planning to conduct road improvements along Baker Road. The County owns a 37-year-old watermain on this road and it would be economical to replace it ahead of the planned improvements. The 6-inch water main would be replaced with a 10-inch line and that would also improve capacity.
- The County received bids from seven (7) contractors for this work ranging from \$388,032.96 to \$491,924.70.
- Award of this contract is recommended to the lowest responsive and responsible bidder, Swallow Construction of West Chicago, Illinois, who best meets the needs of the County in the amount of \$388,032.96.
- This resolution authorizes and directs the County Purchasing Agent to execute a contract with Swallow Construction of West Chicago, Illinois, in the amount of \$388,032.96.
