Joint resolution accepting the Illinois Department of Public Health grant and authorizing an emergency appropriation in the amount of \$24,325 for the Pre-Exposure Prophylaxis grant.

- The \$24,325 Illinois Department of Public Health grant will fund supplies, contractual services, support a new position, and offset existing staff salaries and fringe benefits.
- The \$24,325 in additional grant funding has not been previously appropriated because the grant resources were secured after the County's adoption of the FY22 budget.
- The grant award will be for the period July 1, 2022, through June 30, 2023.
- If the program funding is reduced or eliminated, the program and positions would be eliminated.
