Resolution authorizing execution of an Intergovernmental Agreement with the Greater Round Lake Fire Protection District, for the acquisition and storage of Non-Fluorinated Fire Fighting Foam, and disposal of the District's current foam in accordance with IEPA regulations.

- Lake County previously received an ARPA funding request from Lake County's Fire Chief's Association for replacement firefighting foam based on changes in State regulation.
- An emergency appropriation of ARPA funds for the foam replacement was passed by the Lake County Board in December 2021.
- Staff has been working with the Fire Protection Districts, the State's Attorney's Office, and our ARPA consultant on determining the appropriate method of acquiring and disposing of the foams.
- The agreement establishes the methods in which the new foam will be purchased, and the old foam will be disposed.

WHEREAS, pursuant to the Fire Protection District Act, 70 ILCS 705/0.01 et seq., the District has the authority to provide fire protection services for persons and property within its jurisdiction; and

WHEREAS, pursuant to the Counties Code, 55 ILCS 5/1-1001 et seq., the County has the authority to purchase personal property for the use of the County; and

WHEREAS, pursuant to the Intergovernmental Cooperation Act, 5 ILCS 220/1 et seq., the powers, privileges, functions, or authority of public agencies within Illinois, including units of local government, may be exercised, combined, transferred, and enjoyed jointly, except where specifically prohibited by law; and

WHEREAS, the County and the District wish to cooperate as herein provided in the provisions of adequate fire protection services to the people of Lake County;

WHEREAS, the District in association with other Fire Protection Districts have entered into Mutual Aid Box Alarm System ("MABAS") for purposes for cooperating in rapidly responding to fire emergencies;

WHEREAS, the District wishes to replace 1000 gallons of fire protection foam in current use with 1060 gallons CHEMGUARD, NFF Non-Fluorinated Foam ("Chemguard Foam"); and

WHEREAS, the County wishes to assist the District in replacing the foam in current use with the Chemguard Foam; and

WHEREAS, the County wishes to assist the District in disposing of 1000 gallons of fire protection foam in accordance with IEPA regulations;

NOW THEREFORE, in consideration of their mutual promises set forth below, the County and the District agree as follows:

Section 1. County's duties.

Four (4) 265 gallon totes of the Chemguard Foam shall be purchased on or before June 1, 2023, provided that the purchase of said Foam shall comply with the County's purchasing ordinance and applicable provisions of state law.

B. Transfer of Fire Fighting Foam.

Upon receipt of the said Chemguard Foam, the County shall make available to the District the Chemguard Foam under terms and conditions acceptable to the County, including the manner in which the Chemguard Foam will be delivered to the District's custody and control.

Section 2. District duties.

A. Acceptance of the Chemguard Foam.

Upon the delivery of the Chemguard Foam by the County to the District, the District

shall be solely responsible for the adequate and safe storage of the Foam at its own expense.

The District has contracted to dispose of the foam in current inventory and the County will reimburse the District for that cost in the amount of \$6,250.25. Additionally, if the Chemguard Foam no longer is useful or adequate for providing fire protection, it shall be the District's sole responsibility to properly dispose of the Chemguard Foam at its own expense.
