Ratification of Illinois Department of Public Health, Local Health Department Overdoses Surveillance and Response, \$62,500.00 - Grant Approval - Kritz

Lake County Health Department and Community Health Center (LCHD/CHC) received through the Illinois Department of Public Health, grant funding in the amount of \$62,500.00 for the Overdoses Surveillance and Response program. The funding period is from September 1, 2022, to August 31, 2023. \$11,896.00 will be appropriated in LCFY22 and \$50,604.00 will be appropriated in LCFY23. The Local Health Department Opioid Surveillance and Response Project supports health departments in the development of local response plans for opioid overdose morbidity and mortality based on near real-time surveillance. This will fund printing, software maintenance, indirect expenses, and offset existing staff salary and fringe.

To ratify and approve the Illinois Department of Public Health, Local Health Department Overdoses Surveillance and Response grant funding of \$62,500.00 and emergency appropriate \$11,896.00 for LCFY22 and \$50,604.00 for LCFY23.
