Ordinance adopting amendments to the 2018 ICC Building Codes.

- The proposed amendments reflect the following significant changes to the 2018 International Building Codes:
 - Fire suppression systems shall now be required for new one- and two-family dwellings built in unincorporated Lake County.
 - Fire suppression requirements for new commercial buildings will align more closely with current Fire Department ordinances.
 - Electric vehicle accommodations will be required for new commercial and residential buildings.
- If passed, the new code and amendments will become effective 7/17/2023.
- Projects in process prior to the effective date will be reviewed under the codes in effect at the time of submission.
