Presentation by staff on Manitou Creek-Fish Lake Drain Watershed-Based Plan and approval to open 60-day public comment period.

- Staff have conducted stakeholder meetings and developed a draft Watershed-Based Plan for the Manitou Creek and Fish Lake Drain watersheds in Lake County.
- Public information meetings are scheduled for April 9th (Round Lake Area Library) and April 10th (virtual). A public hearing will also be held at the County Building in Waukegan.
- After 60 days, staff will consider all comments received, finalize the plan, and present it to Lake County Stormwater Management Commission (SMC) for approval.
- Following approval by SMC, the Watershed-Based Plan will be presented to the Lake County Board for approval and watershed municipalities will also be asked to adopt or support the plan.
