### LCHD/CHC 2013 Annual Report - Nordstrom

The Snapshot of the 2013 Annual Report, included in the BOH packet, includes key highlights of the Health Department's 2013 efforts. It also includes the FY2013 financial statement. This snapshot has been sent to County Board members, the Governing Council, elected officials, media representatives and other local entities.

The full annual report, that includes more detailed information on programs and services, statistics, and patient stories, is in the final stage of production and will be posted on our internet site shortly. The annual report will be promoted through our e-newsletters and social media accounts.
