Review of Executive Session Minutes

In accordance with state statute, the Board of Health must review closed session minutes twice annually to determine whether any minutes may be open to public inspection.

In consultation with the Board of Health Attorney, we are recommending that one set of minutes (October 16, 2013) be open to the public.

To approve the recommendation of the Board of Health attorney and open the executive session minutes of the October 16, 2013 meeting.
