---

Committee action authorizing a reclassification of the Internal Affairs Investigator position from a civilian position to a sworn Deputy Chief position and authorizing the Sheriff to hire the Deputy Chief at a starting salary above pay grade 17 midpoint.

- The position was approved in the 2015 budget as a civilian position in pay grade 17, ranging from \$79,624 to \$118,162.
- The position will be more effective and have authority to require cooperation from sworn officers if it is classified in the rank of a sworn Deputy Chief with pay grade 17, ranging from \$79,624 to \$118,162.
- In order to maintain internal equity with other Deputy Chiefs and be externally competitive within the market, the Sheriff requests authority to offer an annual starting salary of up to \$110,000.
