Joint resolution authorizing the application award and execution of the renewal of an interagency agreement with the Illinois Criminal Justice Information Authority (ICJIA) to provide federal funding of \$35,605 for the Children's Advocacy Center Victim Advocate Grant for an additional 12 months.

- In 1999 the Children's Advocacy Center implemented this grant, which has been renewed each year, to supplement funding for a bilingual victim advocate.
- This grant is for the period of October 1, 2015 through September 30, 2016 and funds a portion of the salary for one of the three victim advocates housed at the Lake County Children's Advocacy Center.
- The victim advocate provides comprehensive supportive services to child victims and their non-offending family members throughout the court process.
- Program goals include providing advocacy services for child victims of abuse and their non-offending family members, preventing re-victimization of children through education and emotional support and maintaining the current staff of victim advocates in order to provide efficient services to abused children.
- Sources of program funding include federal funds in the amount of \$35,605 for salary and matching funds of \$8,902 for salary and benefits, which is provided by the Children's Advocacy Center.
- The Children's Advocacy Center supplies the required match and any additional salary or benefit costs by reimbursing the State's Attorney's Office.
