- This Police Services Agreement establishes the commitment of all participants to support the goals of the SRO Program and defines the role of the SRO.
- SRO working hours shall be 19 hours per week, with the opportunity to increase the hours of the SRO if additional finances become available; additional SRO hours are to be scheduled in advance and paid for via a separate invoice to the school district.
- On a monthly basis, the SRO will compile and present a report that includes information regarding the contacts the SRO has had with parents and students, SRO recommendations to the school regarding changes and enforcement ideas on school policy.
- At least once a year the Sheriff's Office and the School District will evaluate the effectiveness of the program and, if financially possible, the School District is considering making the SRO a full-time position.
