

Lake County Illinois

Legislation Text

File #: 17-0116, **Version:** 1

Joint resolution appropriating \$75,000 of County Bridge Tax funds for televising, inspecting, and cleaning storm sewers along various County highways, and designated as Section 17-00000-07-GM.

- 2017 Televising and Clean Storm Sewers: Appropriation.
- The County maintains over 213 miles of storm sewers along the County highway system.
- Maintenance of these storm sewers requires televising and inspecting to identify necessary repairs or replacements.
- Televising, inspecting, and cleaning storm sewers are included in the 2017 Capital Improvement Program.
- Before a project letting can be held, an appropriation of \$75,000 of County Bridge Tax funds for televising, inspecting, and cleaning storm sewers along various County highways is necessary.

RESOLUTION

WHEREAS, Lake County, by and through its Division of Transportation, maintains over 213 miles of storm sewers; and

WHEREAS, maintenance of these storm sewers requires televising and inspecting to identify necessary repairs or replacements; and

WHEREAS, prior to a letting, an appropriation of funds is required.

NOW, THEREFORE BE IT RESOLVED by this Lake County Board, that there is hereby appropriated \$75,000 of County Bridge Tax funds for televising, inspecting and cleaning storm sewers along various County highways, and designated as Section 17-00000-07-GM.

DATED at Waukegan, Illinois, on February 14, 2017.
