Joint resolution authorizing the first amendment to the Intergovernmental Agreement (IGA) with the Village of Long Grove relating to delivery of water service to Herons Landing Subdivision.

- Herons Landing is a 122-lot subdivision in the Village of Long Grove.
- The original 2011 IGA provided water service from the County to 118 of the 122 lots.
- The four lots excluded from the original IGA were due to neighbors' concerns that the cost to service these lots with water would drastically increase the project costs which were to be divided evenly among all 122 lots. Additionally, none of the four lots had a desire or need to change their water source at the time.
- The Village was recently approached by two homeowners to be allowed to connect to the water system.
- The Village has approved this first amendment to the IGA to allow the four additional parcels the ability to receive retail water service from Lake County.
