Tax Abatement Ordinance for the Series 2010A General Obligation Bonds.

- The County issued these bonds as alternative revenue bonds, meaning the taxes are paid from revenue other than property taxes.
- If the County has insufficient alternative revenue, it must pay for the debt service with tax levy funds. For that reason, there is a tax levy in the County Clerk's records for payment of principal and interest on these bonds.
- Each year, the County must determine that it has sufficient funds to pay for the debt service and file an ordinance with the County Clerk for tax abatement, stating that there is no need for a tax levy to pay debt service.
- Sufficient alternative revenues are available, and this ordinance authorizes the taxes to be abated.

Ordinance abating the tax hereto levied for the year 2017 to pay the principal of and interest on \$31,410,000 Taxable General Obligation Alternate Bonds, Series 2010A, of The County of Lake, Illinois.

WHEREAS, the Sales Taxes (as defined in the Ordinance) have been determined by the Treasurer to provide an amount not less than 1.25 times debt service of all outstanding Bonds (as defined in the Ordinance) in the next succeeding bond year (May 30 and November 30); and
