Joint resolution authorizing the execution of the Fifth Amendment to the Agreement for Sewage Disposal between Lake County and the Village of Gurnee to include the St. Sava Property in the Sewer Service Area.

- The County provides wholesale sewer service to portions of the Village of Gurnee.
- The St. Sava property is unincorporated; and therefore, not included in the boundaries of the current service area but is adjacent to the Village.
- The Village has requested to extend the sewer service area to include the St. Sava Monastery, located at 32377 N. Milwaukee Avenue.
- As this request will result in an increase to the County's downstream interceptors, the County has reviewed the request and has determined that the increase is feasible.
- The County is only obligated to accept sewage from the St. Sava Property for uses related to the existing place of worship and accessory uses not to exceed 40PE.
- The Fifth Amendment to the Agreement will be approved by the Gurnee Village Board on September 24, 2018.
- This resolution authorizes the execution of the Fifth Amendment to the Agreement for Sewage Disposal with the Village of Gurnee that amends the Sewer Service Area to include service to the St. Sava property.
