Legislation Text

File #: 18-1327, **Version:** 1

Ordinance amending a previous ordinance designating the voting site assigned to three of the 415 precincts in Lake County Townships.

- After reviewing voting sites for the April 2, 2019 Consolidated Election, voting site changes are proposed to provide better voting site locations to those precincts affected by a site that is hampered in its ability to continue serving as a site due to space and access limitations.
- Ela Township Precincts 94, 97 and 98 have previously been assigned to the Buffalo Creek Park Building for Election Day voting. The site is unable to continue serving as a polling site due to space limitations resulting from significant program expansion.
- Due to the aforementioned obstacles, Ela Township Precincts 94, 97 and 98 are being re-assigned to the Ela Township Office which has adequate voting and parking space and is easily accessible for all voters.
