Committee action regarding Lake County Television (LCTV) coverage of Board Standing Committees.

- On January 10, 2018, the Financial and Administrative Committee discussed the LCTV filming of committee meetings.
- Following discussion of the item, staff was directed to (a) further analyze the preferred option of utilizing one camera operator including estimated costs; and (b) analyze the impact of indexing the video to agenda items on the website for enhanced access and transparency.
- The estimated total cost utilizing existing staff with on-line indexing to agenda items is \$12,048, and the estimated total cost without indexing is \$8,896.
- If approved, filming would begin in February.
