

Lake County Illinois

Legislation Text

File #: 19-0930, Version: 1

Joint resolution authorizing a contract with Joseph J. Henderson and Son, Inc., Gurnee, Illinois, in the amount of \$2,453,000 for the Vernon Hills Water System Electrical and Mechanical Upgrade project.

- The Vernon Hills water system serves residents of the Village of Vernon Hills and surrounding areas, serving a total population of more than 25,000 people.
- The Vernon Hills Water System major facilities consist of four reservoirs, two elevated water towers and two water delivery structures that are key components of the water distribution system that has been in continuous service for over 35 years.
- Major electrical and mechanical equipment at eight facilities such as motor control centers, Supervisory Control and Data Acquisition (SCADA) equipment, water flow control valves, and water level control sensors will be replaced and upgraded to ensure safe and continuous operation of this water system.
- An invitation to bid was extended to seven contractors and sealed bids were received from three ranging from \$2,453,000 to \$3,315,584.
- Joseph J. Henderson and Son, Inc., submitted the lowest responsive, responsible bid in the amount of \$2,453,000.
- The project is part of the approved 2019 Capital Improvement Plan and the award amount is below the programed amount and government estimate.
- This resolution authorizes and directs the County Purchasing agent to execute a contract with Joseph J. Henderson and Son, Inc. in the amount of \$2,543,000 for the Vernon Hills Water System Electrical and Mechanical Upgrade project.

RESOLUTION

WHEREAS, the County of Lake (County) owns, operates and maintains water systems throughout the County including the Vernon Hills water system in the South Central operational area; and

WHEREAS, the Vernon Hills water system serves residents of the Village of Vernon Hills and surrounding areas, serving a total population of more than 25,000 people; and

WHEREAS, the Vernon Hills Water System major facilities consist of four reservoirs, two elevated water towers and two water delivery structures that are key components of the water distribution system that has been in continuous service for over 35 years.

Major electrical and mechanical equipment at the facilities (motor control center, SCADA equipment, water flow control valves, and water level control sensors) will be replaced and upgraded to ensure safe and continuous operation of this water system.

WHEREAS, in accordance with the Lake County Purchasing Ordinance, bids were called for by publication for the Vernon Hills Water System Electrical and Mechanical Upgrade project; and

WHEREAS, subsequent to said publication, invitations to bid were extended to seven contractors; and

WHEREAS, three sealed bids were received and publicly opened in the office of the Public Works Department on Wednesday, May 15, 2019 at 11:00 a.m.; and

WHEREAS, Joseph J. Henderson and Son, Inc., Gurnee, Illinois, is the lowest responsive, responsible bidder in the amount of \$2,453,000; two other bids were received in the amounts of \$2,590,000 and \$3,315,584.

NOW, THEREFORE, BE IT RESOLVED, by this County Board of Lake County, Illinois, that the Purchasing Agent is hereby authorized and directed to execute a contract with, Joseph J. Henderson and Son, Inc., Gurnee, IL in the amount of \$2,453,000 for the Vernon Hills Water System Electrical and Mechanical Upgrade project charging the cost to Account No. 610-4833098-85010-000-000-000-48310.

DATED, at WAUKEGAN, LAKE COUNTY, ILLINOIS, on this 11th day of June, A.D., 2019.
