Medical Director's Report - Zun

Provider Collaboration

- The incentive plan rolled out on June 1, 2019, as a pilot for medical doctors and advanced practice nurse providers to incentivize productivity and quality. A Town Hall meeting with providers was held on May 13, 2019 to present this information.
- The revised peer review process for all licensed providers awaits approval.
- Contract negotiations with local OB/GYN providers continue.

Patient Focused

- The first Town Hall meeting for patients will be held at North Chicago Health Center on Thursday, June 27, 2019, 5:30-7:00 p.m.

Clinic Operations

- Review and revise approach to health literacy.
- Three candidates for Director of Physical Health have been interviewed.
- The Coleman Associates conducted LCHD FQHC site visits on May 9 and May 10, 2019, and at the end of the day on May 10 shared their findings with the Executive Team. A follow-up conference call with the Executive Team was held on May 23.

External Relations

- The pharmacy school at Rosalind Franklin plans to share a pharmacy resident with LCHD one day a week.
- Discussions with the podiatry and physical therapy schools at Rosalind Franklin continue.

None, for information only.
