Presentation to update the Committee on the progress of the water and sewer rate and connection fees study.

- Staff has continued to work with professional consultants Burns and McDonnell based on the direction provided by the Committee at the April 9 PWP&T meeting.
- A rate design plan for water and sewer services will be presented for further discussion and consideration by the Committee.
- Staff is requesting feedback on the proposed water and sewer rates as well as policy direction on connections fees based on comparable entities.
- No Committee or Board action is required at this time.
