Resolution approving policies and procedures for preparing and updating bond disclosures.

- As a general obligation debt bond issuer, Lake County has responsibilities under securities laws, including its continuing disclosure undertakings.
- At the recommendation of disclosure counsel, it is in the best interest of the County to adopt policies and procedures to enable the County to create accurate disclosures with respect to its official statements, annual financial information, and Electronic Municipal Market Access (EMMA) system.
- Lake County previously approved such policies and procedures, but it is necessary to replace the prior procedures completely with the attached policies and procedures which reflect rule changes that went into effect in February 2019. The Amendments to Rule 15c2-12, under the Securities Exchange Act of 1934, add two new events to the list of reportable events.
