- The estimated number of prisoners in confinement at any given time will be no more than three.
- The LCSO will remit the appropriate invoices on a monthly basis at the daily rate of \$89.39 per military detainee, which shall include the day of arrival but not the day of departure.
- Military detainees will be given the same privileges and be subject to the same restrictions afforded other inmates, except when specifically altered by the Performance Work Statement.
- This agreement is for five years and has a conservative revenue estimate of \$195,000 over the term of the contract.
