Joint resolution appropriating \$100,000 of the ¼% Sales Tax for Transportation funds for the acquisition of necessary right-of-way, by agreement or condemnation, and other right-of-way costs associated with the improvement of Fremont Center Road at Illinois Route 60.

- Fremont Center Road at Illinois Route 60 will be improved with the construction of turn lanes and a traffic signal.
- A previous right-of-way appropriation was approved by the County Board on January 17, 2017, for the advanced acquisition of a parcel. In that case, the property owner was planning on moving and had requested the County expedite the acquisition of the property due to the difficulty of selling it to someone who knows it would be acquired by the County later.
- This improvement is included in the Highway Improvement Program with targeted construction in 2020, and designated as Section 12-00138-02-CH.
