Resolution authorizing Holly Kim, County Treasurer/Ex-Officio County Collector, to designate certain banks and other financial institutions as depositories in which Lake County funds and monies may be deposited.

- As custodian of funds and ex-officio County Collector, the Treasurer deposits funds with a number of different institutions. With mergers of banks, and with other changes that happen in the ordinary course of business, the list of authorized institutions should be periodically updated.
- With an increasingly difficult investment environment for the types of investments authorized by the Illinois Public Funds Investment Act, the Treasurer believes that the County should expand the list of authorized brokers to provide a greater variety of investment opportunities.
- The resolution includes an updated list of banks and financial institutions with Lake County cash, deposits, and investments. Changes from the previous resolution approved on June 13, 2017 are marked with an asterisk and an explanation is provided in parentheses.
