Resolution authorizing an emergency appropriation in the amount of \$55,000 for services in Special Service Area Number 17 (SSA #17), Ivanhoe Estates.

- Special Service Area #17 was established to fund the repair, reconstruction and maintenance of private streets within the Ivanhoe Estates residential community.
- The amount budgeted in the fiscal year (FY) 2020 budget was \$56,640 for expenses, an amount equal to the levied property tax revenue for FY2020. However, repairs approved by the residential community require additional funding in the amount of \$55,000.
- A fund balance exists in an amount of \$138,427 at the end of FY2019 and \$23,512 in property tax revenue has been received year to date with no expenses. Therefore, there are sufficient funds for the road repairs.
- This resolution appropriates funds in Fund 290 SSA #17 for payment of FY 2020 contractual services for the additional amount of \$55,000.
