- Since this time, economic changes and various roadway improvement activities have occurred, which make the agreement outdated and no longer relevant.
- The Village of Grayslake approved this agreement at its November 3, 2020 meeting.
- Future development of the old Lake County Fairground and Farm Bureau properties could be regulated by the Lake County Division of Transportation's access ordinance for access to Center Street and the Illinois Department of Transportation's permit process for access to US Route 45 and/or Illinois Route 120.
