Joint resolution appropriating \$40,000 of Matching Tax funds for cellular service, landline phone service, and electrical service to communicate with various Lake County Division of Transportation field assets, including traffic signals, cameras, pavement sensors, and snow and ice equipment and integration with Lake County PASSAGE.

- The Lake County Division of Transportation and the Lake County PASSAGE Intelligent Transportation System gather data from traffic signals, vehicle counters, pavement sensors, cameras, and maintenance vehicles to manage traffic operations, snow and ice maintenance operations, and provide the public with accurate and real-time information to make informed travel decisions.
- This project is included in the Transportation Improvement Program, and designated as Section 22-00000-18-GM.

## RESOLUTION

**WHEREAS**, the Lake County Division of Transportation desires to utilize cellular and landline phone services to communicate with various field assets throughout the County; and

**WHEREAS**, the Lake County Division of Transportation and the Lake County PASSAGE Intelligent Transportation System gather data from traffic signals, vehicle counters, pavement sensors, cameras, and maintenance vehicles to manage traffic operations, snow and ice maintenance operations, and provide the public with accurate and real-time information to make informed travel decisions; and

**WHEREAS**, an appropriation of funds is required.

**NOW, THEREFORE BE IT RESOLVED** by this Lake County Board, that there is hereby appropriated \$40,000 of Matching Tax funds for cellular service, landline phone service, and electrical service to communicate with various field assets throughout the County and integration with Lake County PASSAGE, and designated as Section 22-00000-18-GM.

**DATED** at Waukegan, Illinois, on October 12, 2021.
