Resolution authorizing the emergency appropriation of \$6,534,726.76 in Emergency Rental Assistance 2 (ERA2) funding for the purposes of assisting households that are unable to pay rent or utilities.

- The American Rescue Plan Act of 2021 created the Emergency Rental Assistance 2 (ERA2) Program on March 11, 2021. ERA2 allocations were based on the number of very low-income renter households paying more than 50 percent of income on rent or living in substandard or overcrowded conditions, rental market costs, and change in employment since February 2020.
- At least 90 percent of awarded funds must be used for direct financial assistance, including rent, rental arrears, utilities and home energy costs, utilities and home energy costs arrears, and other expenses related to housing. Remaining funds are available for housing stability services, including case management and other services intended to keep households stably housed. ERA2 funds generally expire on September 30, 2025.
- Lake County's allocation for ERA2 is \$6,534,726.76, which will be used to assist households that are unable to pay rent and utilities. Assistance is provided to both landlords and tenants.
- Lake County also received \$20,646,762.50 as part of the ERA1 program for similar purposes.
