Joint resolution authorizing an amendment for a six-month extension for the State's Attorney's Office Multi-Victimization Program through a Victim of Crime Act (VOCA) grant awarded by the Illinois Criminal Justice Information Authority (ICJIA) to the Lake County State's Attorney's Office, including an emergency appropriation of \$55,924 in federal funds.

- This VOCA Multi-Victimization grant extension will enable continuation of this program addressing the needs of victims who have experienced multiple types of crime during their lifetime. According to the ICJIA 2016 Victim Needs Assessment, victims of violent crimes are especially vulnerable as nearly three-quarters (72%) have been the victim of more than one crime.
- The grant is administered through the ICJIA for the performance period of December 1, 2020 through May 31, 2022. Additional funding to support the program for up to an additional 18 months may be awarded after the initial funding period contingent upon satisfactory performance and availability of funds.
- Through this grant funding, trauma-informed counseling services will be offered to violent crime victims who self-report as having experienced multi-victimization, also known as poly-victims.
- The additional funding of \$55,924 will be used to fund a portion of 43.5 percent of the salary and benefits for a licensed therapist and the salary and benefits for a part-time bi-lingual licensed therapist for the period of December 1, 2021 through May 31, 2022. No county funds are required.
- If funding for these positions end, and new funding is not secured, the positions will be eliminated.
