

Lake County Illinois

Legislation Text

File #: 22-0823, **Version:** 1

Discussion of advertisements on Pace Bus shelters installed in Lake County highway right-of-way.

- The Lake County Highway Access and Use Ordinance provides for the installation of regulatory signage along County highways and prohibits the installation of all other signage types within the County right-of-way.
- Staff is seeking feedback from Committee Members on the potential to allow advertisement signage on Pace Bus shelters within County right-of-way.
