Resolution authorizing emergency appropriations for Fiscal Year (FY) 2022 in various funds for certain projects, items, and activities.

- Since all unused appropriations lapse at the end of each fiscal year, it is necessary to “carry over” unspent budget authority from one fiscal year to the next under certain conditions as defined in the County's Budget Policies.
- Due to staffing changes and through the course of the annual audit, some necessary carryovers of the budget authority of unfinished FY 2021 projects were determined to be necessary in FY 2022.
- These items must be authorized through what is termed an “emergency appropriation” in order to appropriate the budget authority in the current fiscal year. The detailed accounts are included in the attachment.

### RESOLUTION

**WHEREAS**, certain projects, goods and activities have been identified that were initiated during FY 2021 and whose budget appropriations were not carried over into FY 2022; and

**WHEREAS**, it is necessary to authorize associated budgets for these projects, goods, and activities in the FY 2022 budget, which will be funded from the unobligated fund balances from the prior year.

**NOW, THEREFORE, BE IT RESOLVED**, by this County Board of Lake County, Illinois, that emergency appropriations for FY 2022 in various funds for certain projects, goods and activities are hereby authorized as detailed in the attached listing, which is hereby made a part of this resolution.

**DATED** at Waukegan, Illinois, on September 13, 2022.
