

Lake County Illinois

Legislation Text

File #: 22-1325, Version: 1

Joint resolution appropriating \$40,000 of Matching Tax funds for cellular service and landline phone service to communicate with various Lake County Division of Transportation field assets, including traffic signals, cameras, and snow and ice equipment and integration with Lake County PASSAGE.

- The Lake County Division of Transportation and the Lake County PASSAGE Intelligent Transportation System gather data from traffic signals, vehicle counters, cameras, and maintenance vehicles to manage traffic operations, snow and ice maintenance operations, and provide the public with accurate and real-time information to make informed travel decisions.
- This project is included in the Transportation Improvement Program, and designated as Section 23-00000-18-GM.

RESOLUTION

WHEREAS, the Lake County Division of Transportation desires to utilize cellular and landline phone services to communicate with various field assets throughout the County; and

WHEREAS, the Lake County Division of Transportation and the Lake County PASSAGE Intelligent Transportation System gather data from traffic signals, vehicle counters, cameras, and maintenance vehicles to manage traffic operations, snow and ice maintenance operations, and provide the public with accurate and real-time information to make informed travel decisions; and

WHEREAS, an appropriation of funds is required.

NOW, THEREFORE BE IT RESOLVED by this Lake County Board, that there is hereby appropriated \$40,000 of Matching Tax funds for cellular service and landline phone service to communicate with various field assets throughout the County and integration with Lake County PASSAGE, and designated as Section 23-00000-18-GM.

DATED at Waukegan, Illinois, on October 11, 2022.
